TAKE THE SURVEY, ATTEND A MEETING, HELP GUIDE WHERE 1,700+ HOMES WILL GO

Housing Element Overview

Saratoga is **required** to update its General Plan Housing Element to plan for **over 1,700 new homes** to be built in Saratoga between 2023 and 2031 at **all income levels**. The decisions made during this process could cause **significant changes in Saratoga**.

Shape Saratoga: Share Your Opinions

The City launched a **survey**, and we want to hear from as many community members as possible! The goal of this survey is to gain a better understanding of the community's opinions on **housing, strategies, and policies** before the June community meetings. Make sure you participate before it's too late. Visit www.saratoga.ca.us/housing to **take the survey by June 18!**

June Community Meetings

The results of the survey will be used to shape conversations at the next series of **community meetings in June**. You can find the three meeting dates on the other side of this postcard. The three meetings will be held on different days and at different times to accommodate a variety of community members' schedules. **The content presented at all three meetings will be the same.**
